Partnership for Prescription Assistance

A partnership bringing together America's pharmaceutical companies, doctors, other health care

providers, patient advocacy organizations, and community groups to help qualifying patients who lack prescription coverage get the medications they need through the public or private program that is right for them.

888-477-2669

www.pparx.org

Rx Assist

A nonprofit group that provides information to health care providers to help patients get medications.

www.rxassist.org

Rx Hope

A patient assistance company partially funded by the pharmaceutical manufacturers. It promises to speed requests for no-cost medications.
